On the first day of class students, swim abilities/skills will be evaluated to see if that level suits their needs. If needed, a suggestion for placement will be given by the Instructor at that time.

SWIM LESSON CLASS DESCRIPTIONS

Parent/Child ages 6 months to 3 years (1:12 ratio)

This class will familiarize children between the ages of 6 months to 3 years old with the water and teach swimming readiness skills as well as provide safety information and techniques parents can use to orient their child to the water.

Pre-School Level 1 ages 3-5 (1:6ratio)

This class will orient participants to the aquatic environment and help them gain basic aquatic skills. Kids will learn safe practices around water. This class is recommended for kids ages 3-5 or who have never taken swim lessons before.

Pre-School Level 2 ages 3-5 (1:6 ratio)

This class will build on the basic aquatic skills and concepts taught in Pre-School Level 1. This class is recommended for those who have successfully completed Pre-School Level 1 or has experience with swim lessons.

Level 3 (1:6 ratio)

Level 3 will build on skills achieved in Pre-School Levels 1 & 2, and will help participants achieve basic water competency in a pool environment as well introducing basic swimming strokes. This class is recommended for those who have successfully completed Pre-School Level 2.

Level 4 (1:6ratio)

Level 4 will help achieve proficiency in performing the swimming strokes introduced in Level 3. This class is recommended for those who have successfully completed Level 3.

Level 5 (1:6 ratio)

Participants in Level 5 will refine their performance of swimming strokes, such as front crawl back crawl, introduction to butterfly, breaststroke, elementary backstroke and sidestroke. This class is recommended for those who have successfully completed Level 4.
